# 2016/17 Courses for learners of all abilities

## Cambridgeshire Adult Learning and Skills

### Welcome

We are very excited to launch our programme of learning offered across Fenland. This programme has been designed to offer opportunities to improve your skills and to enjoy some new learning activities.

There may be further courses added before each new term starts - do request the latest brochure using the contact information below.

Our Move on Up courses are specifically designed for learners who may require extra learning support.

We offer flexible learning opportunities at the Learning Centres in March and Wisbech Libraries, and in outreach at Chatteris Library.

The National Careers Service will also be available to all learners who wish to seek advice regarding personal goals, job and career ideas, volunteering and more.

We hope you thoroughly enjoy your learning choices and we will always be interested in hearing what you have to say about the programme as it continues to develop.

### How to Enrol

Please see course details for contact information to register your interest and to enrol.

For all course enquiries email [march.communitycentre@cambridgeshire.gov.uk](mailto:march.communitycentre@cambridgeshire.gov.uk)

Some courses offer a taster session so that you can try the course before joining. Please contact us if you would like to attend a taster session.

### Where Course Fees apply:

Concessions - These are available for those in receipt of some income based benefits. Evidence will be needed to verify entitlement (free places will be available for carers supporting people with learning difficulties).

Please note: Every effort is made to ensure that the information in this leaflet is accurate at the time of going to print. Cambridgeshire County Council reserves the right to alter any of the courses.

### Time Credits

Fenland Adult and Learning supports Time Credits. We welcome learners using Time Credits. Come and spend your Time Credits on any of our courses across the Fenland area (one Time Credit is equal to one hour of a course).
